FACTS GRANT & AID ASSESSMENT

Our commitment to this program directly stems from our conviction "that a child from a Christian home not be denied a Christ-centered education solely on the basis of family income" (Galatians 6:10, Romans 15:1, 1 John 3:17).

The Gap

Why do our parents have required service hours? The simple act of serving helps to reduce the cost of tuition while building community and love for the school. Parents serve in the concession and coffee stand, organize and produce the Jog-A-Thon, sell Poinsettias, and put hours into our largest fundraiser, the Annual Auction in March.

Why do we fundraise? We fundraise to bridge the Gap between what a family pays for tuition and the actual cost to educate each student. Our school has a history of relying on the Lord to provide, and we continue to do this each year.
